INDUSTRIAL FABRICATION -

Specializing in ALUMINIUM, STAINLESS STEEL, CARBON STEEL

Delivering precision-engineered fabrication solutions for industrial excellence

OUR FABRICARION CAPABILITIES

We offer high-quality **industrial fabrication** services tailored to meet diverse project requirements. Our expertise includes

- Custom fabrication as per drawings
- Cutting, bending & welding
- Structural fabrication
- Repair & modification works

MATERIALS WE SPECIALIZE IN

- **Aluminium** – Lightweight, corrosion-resistant solutions
- **Stainless Steel** – Hygienic, Durable & high-strength applications
- **Carbon Steel** – Heavy-duty and cost-effective structures
